ASTRAL ROCKS

CINEMATIC ROCK

with electro harp.

Powerful rock. Built for the stage.

BIO

Astral Rocks is a Portuguese-Swiss cinematic rock band built around powerful vocals, guitar, bass and drums, with the electro harp at the heart of its sound. Founded by songwriter and author Milli Schweizer, the five-piece writes original songs about love, loss, hope and conflict, each one starting from a real story.

PRESS

"A tender ache wrapped in thunderclouds."
